Back-to-School All Staff Meeting Planning

Currently set for 7 a.m. on Sept. 2.

Committee members recommended that the fall opening event for staff remain at BHS as it is centrally located and more parking is available. Margaret will send out an e-mail about possible help needed the afternoon of set-up.

The committee thought that student musicians should rotate between high schools. Another idea was to ask student leaders to be on hand that morning to greet staff.

The breakfast shall now be called the Appreciation Breakfast and announce that in lieu of a token of appreciation to staff members, the Foundation will donate money for needed school supplies...composition books at middle school, for example.

Next meeting: TBD in the Fall 2011
