

## HIGH SCHOOL MATH WAIVER

Documentation for Students Choosing a Third Credit of Math  
Other Than Algebra 2  
*(file with student's permanent record)*

Name: \_\_\_\_\_ Graduation Year: \_\_\_\_\_  
High School: \_\_\_\_\_  
Parent or Guardian Name: \_\_\_\_\_

I have met with \_\_\_\_\_ to discuss the option of my student taking the following  
(advisor/school counselor/administrator)  
course: \_\_\_\_\_. This course replaces Algebra 2 in order to meet the third  
math credit graduation requirement for students in the graduating class of 2013 and beyond.

I understand that students may choose a math course other than Algebra 2 or Integrated Mathematics 3 if another course better meets their education and career goals, as identified in their High School and Beyond Plan.

During our meeting, we received information about the math admission requirements for two and four year colleges, and for credit-bearing math courses at both types of institutions.
