
Happy Valley Educational Specifications Advisory Committee

Workshop 1 Meeting Minutes

PROJECT: Happy Valley Elementary
PROJECT NUMBER: 121-14011
MEETING DATE: April 17, 2014

On April 17, 2014, several members of the committee toured three elementary schools designed by NAC.

Riverview Elementary is a K-6 school in the Snohomish School District; View Ridge is a K-5 school in the Everett School District as is Jefferson Elementary School.

Committee members had the opportunity to see all major spaces including general purpose and specialized classrooms, gymnasiums, cafeterias, offices, etc.
