

**Bellingham School District**  
**2010-2013 Technology Plan Ad Hoc Committee**

**Agenda**

**February 18, 2010**

**I. Welcome**

1. Review of previous minutes...
2. Thank you letter to Karen Cator, Director of Educational Technology at the U.S. Department of Education

**II. Our Timeline**

Yikes! We have until March 1 to get this 99% done! Details...

**III. The Plan Today**

We identified a goal area we wanted to direct our energy toward last week. Please congregate in those goal areas and work together to generate strategies and activities for that goal. Each goal area has a sheets, strategies/activities/tasks from the 07-10 plan, and content from Eric Paige & Andy Mark. I've also included some additional information on the three areas: information literacy, media literacy, and digital citizenship.

1. Technology Literacy of 8<sup>th</sup> Grade

Cathy/Analisa/Eric/Tracy

2. Technology Integration Skills of Teachers

Cathy/James/Ashley

3. Technology Proficiencies of Administrators, Teachers, and Teacher-Librarians

Mark/Michael/Tracy/Eric/James

4. Implementation of the developed plan

Mark/Michael/Tracy/Eric/James

**IV. Other...**

**V. Next Steps**
