

Elementary School Naming Task Force for Aldrich

This task force is no longer active because it completed its work. Following a process, the School Board selected the name Cordata Elementary School in June 2010.

The [Elementary School Naming Task Force for Aldrich](#) [1] will review ideas for naming the new elementary school that have been gathered from students, parents, staff and the community by the established deadline.

The task force will use the established school-naming criteria in Board [procedure 9250P](#) [2] to screen and select three to five names. The task force will submit the three to five selections, including the rationale for each name, as a recommendation to the School Board. Final selection will be made by the School Board in June.
