

Developing Healthy & Active Individuals

Date: Monday, May 18, 2015

Central Services, Room 212

Time: 4:00-6:00

AGENDA

4:00- Welcome & Introductions

--Jessica Sankey

4:15- Presentation of Washington State Health Education Standards

--Amanda Winters, Cardea & Laurie Dils, OSPI

5:30- Implementation discussion

--Healthy & Active Advisory Group Members

Key questions:

- Which portions of the new standards would you prioritize implementing?
- Which areas of our system are most ready to adopt new standards?
- Do you have 'low hanging fruit' recommendations—how to most easily/efficiently implement new standards? Where are the opportunities for training & support for our teachers?

5:45- Next steps:

1. Include conversation in draft recommendations to the superintendent (review recommendations)
2. Committee continues in SY 2016/17. Please note on blank card:
 - a. Your name;
 - b. How much longer you are willing to serve on this committee (e.g, my term is complete; I would like to serve one more year; I would like to serve two more years)
 - c. Your area of interest for the year to come (if you would like to remain on the committee)
