

INSTRUCTIONAL MATERIALS COMMITTEE
Tuesday – January 30, 2007
4:00 – 5:30 pm, Conference Room 212

MEETING AGENDA

- Members Present: Members Present: John Mangan, Laura Rink, Anne Seeger, Ann Reed, Bryon Gerard, Carol Egan, Jean Prochaska
- Squaticum High School request for consideration of supplemental text titled *An Inconvenient Truth, The Planetary Emergency of Global Warming and What We Can Do About It*, by Al Gore.
Carol explained the Federal Way decision to the group. We will wait until Federal Way's work on finding a voice for the other side of the issue. The teachers will be told this has been placed on hold until this fall at the latest. The district leadership has recommended a pause on this text for now. We will wait for Federal Way's work and experience addressing a global warming curriculum.
- Squaticum High School request for consideration of *Active Chemistry* to be used as a supplemental resource. Members will need to fill out the following forms for the next meeting: Form 1040-NB-A and 1040-S. The book is available for check-out in the Curriculum Office. Carol will ask a group of teachers to present to the committee during the February meeting

Next Meeting –February 27, 2007, conference room 212, 4:00 – 5:30pm
