Plans for the day

Top four criteria (2, 3, 8, 10)

- Are these four enough? Talk with your neighbor
- Share out
- Break into groups – task is to clarify what each criteria means: For example – Heritage language? What does that mean? We need clear indicators, descriptions for the criteria so that anyone can understand what we mean when using the criteria.
- Write your description on chart paper and be prepared to share out.

Criteria for student competency

- Clarify – whole group – what do we want to recommend?
- Define

School organization by level – break into groups – choose your level
