

Elementary Play Fields

(Worst to Best)

<i>SCHOOL</i>	<i>CONDITION</i>	<i>RECOMMENDED ACTION</i>
Cordata	poor	Install irrigation, add soils, drainage reestablish grass
Northern Heights	poor	Install irrigation, drainage, add soil, re-grade
Parkview	fair	Install irrigation, re-grade
Alderwood	fair	Install irrigation, regrade, drainage
Wade King	fair	Install irrigation, drainage
Geneva*	fair	Install new timer, irrigation?
Roosevelt	good/fair	Install irrigation, drainage
Sunnyland	good/fair	Install irrigation, drainage
Silver Beach	good	Install irrigation?
Columbia	good	Install irrigation
Birchwood	very good	maintain
Happy Valley	very good	maintain

Carl Cozier and Lowell have NO play field.

ALL fields will require 'rest' periods for recovery of turf. I would recommend *as needed* - as often as every 18 months. (to rest a field will require signage and temp. fencing)

Geneva* has maintenance restrictions – falls under Lake Whatcom Watershed rules. Phosphates are prohibited making root growth difficult.
