

Parent Advisory Committee (PAC) to the Superintendent: Key Communications June 1, 2017

Each school has two representatives on this committee. Attendees introduced themselves and shared their connections with the school district. Holly Miller and Grace Munson are co-chairs:

- We are here to learn, have discussions and give input to the superintendent. **Please bring information back to each of our schools, share it, and take back questions or concerns from other parents. Please send a parent sub if you are unable to represent your school at a future meeting.**

Superintendent's Update: Facilities

- One of our voter-approved 2013 bond projects is the seismic safety retrofitting and remodeling of the District Office on Dupont Street. This is our current plan unless a better idea comes along. Dr. Baker shared that he has been approached with another location idea and wanted PACs' feedback.
- **Facilities Planning Task Force**: The task force is getting ready to submit its recommendation to the superintendent for facilities projects to put before voters in February 2018

Future School Year Calendars Feedback

- Dr. Baker shared our information gathering process regarding future school year calendars and PACs provided some input. The survey is open through noon June 6 as well as Dr. Baker's blog to provide feedback. Please encourage parents to read the information, watch the video and provide input: <https://bellinghamschools.org/news/school-year-calendar-feedback-future-years/>
