

Bellingham Amplify Scope & Sequence

GRADE 6	GRADE 7	GRADE 8
Launch: Harnessing Human Energy ■	Launch: Geology on Mars ■	Launch: Microbiome ■
Force and Motion ■	Plate Motion ■	Traits and Reproduction ■
Engineering Internship: Force and Motion ■	Engineering Internship: Plate Motion ■	Natural Selection ■
Earth, Moon, and Sun ■	Rock Transformations ■	Engineering Internship: Natural Selection ■
Populations and Resources ■	Chemical Reactions ■	Evolutionary History ■
Thermal Energy ■	Metabolism ■	Ocean, Atmosphere and Climate ■
Phase Change ■	Engineering Internship: Metabolism ■	Weather Patterns ■
Engineering Internship: Phase Change ■	Matter and Energy in Ecosystems ■	Earth's Changing Climate ■
Magnetic Fields ■	Light Waves ■	Engineering Internship: Earth's Changing Climate ■
