

Meeting Minutes Parkview Design Advisory Group – Community Meeting 2 March 4, 2015

Mylo Allen, Parkview Principal, welcomed everyone at 7:00 pm. He introduced the committee members to the six community members in attendance.

Andrew Krzysiek, a Zervas Group architect, reviewed the committee's work including a summary of meetings.

Andrew showed the site plan and the overall floor plan. The main body of work will be a new cafeteria, kitchen, music classroom/stage, additional restrooms, and a new covered play area.

Other work includes renovation of the existing gymnasium, renovation of the existing staff and south student bathrooms, small group instructional space, storage, and a PE office. Andrew pointed out that the new covered play area is designed so that it will be a stand-alone structure that can be disassembled and reused in another location.

After answering some questions about the floor plan, Andrew displayed and explained exterior elevations of the building and exterior renderings.

He then displayed interior renderings of the new cafeteria and the renovated gymnasium. He explained the extent of the gymnasium renovations which include: enhanced acoustic wall and ceiling treatment, lighting and sound upgrades, and new basketball backboards and climbing wall will be installed.

Andrew took questions about circulation, acoustics, the sound system, heating/ventilation, natural lighting, building lighting, doors, and contractor access.

He then reviewed with project schedule which calls for construction to begin this summer after school is out.

Ron Cowan, Assistant Superintendent of Finance and Operations, answered questions about the recommendation to the superintendent.

Mylo and Andrew answered questions about how the priorities associated with the bid alternates were determined.

Mylo explained the garden relocation plan.

The meeting ended at 8:00 pm.
