

May 31, 2018

Dear Parkview Elementary School Families and Neighbors,

We are excited to share information about our plans to build a new Parkview Elementary School on its current campus.

Thanks to voter approval of the February 2018 school facilities bond, our students and community will benefit from a new Parkview Elementary School. It will be an outstanding place for students to discover and develop a passion for learning, which is at the heart of our shared vision as described in our strategic plan, The Bellingham Promise.

**You are invited to attend a parent/community project meeting from 6 to 7:30 p.m. on Wednesday, June 6 at Parkview Elementary School Cafeteria, 3033 Coolidge Drive.**

This will be a great opportunity to learn more about the project and an opportunity for you to share your hopes, dreams and vision for the new Parkview.

We appreciate your support of our schools and strive to be good communicator and neighbors. We hope to see you on June 6.

You can also learn more and keep apprised of our progress on our website at:  
<http://bellingshamschools.org/about/committees/parkview>

Thank you,

Greg Baker,  
Superintendent of Bellingham Public Schools
