

## SHUKSAN MIDDLE SCHOOL AUXILIARY GYM PROJECT INFORMATION

- The 2017 Facilities Planning Task Force heard from Shuksan staff that more gym space was needed to meet school needs including Physical Education, after school activities (BEATS, etc.,) and sports practice/games (currently Shuksan cannot host any home basketball games)
- The Task Force recommended placing a proposal for an auxiliary gym at Shuksan on the 2018 Bond
- On February 6, 2018, voters approved a bond issue for several building projects including an auxiliary gym at Shuksan Middle School
- A design committee was formed including district and school administrative staff, P.E. teachers and coaches. Meetings were held to provide input for the design
- Architects and design committee members met with a group of Shuksan students who provided valuable insight and design ideas from the perspective of the daily users
- The design includes:
  - 1 varsity sized basketball court
  - 2 varsity sized volleyball courts
  - 2 middle school regulation basketball courts
  - Seating for spectators at the middle school courts
  - Gym equipment storage rooms
  - Restrooms accessible from the gym and playfields
  - An optional equipment drying room
  - Optional bleacher seating for 300
  - A total of 10 basketball hoops with adjustable rims
- The area of the addition is approximately 11,500SF
- The gym is planned to open in the spring of 2020
