

Parkview Elementary Vision and Goals

Welcome and Introductions

Project Rationale

- ***Condition & functionality of existing facility***
- ***Utilize recent addition***
- ***Increase student capacity***
 - ***Infill before building additional schools***
 - ***Enhance educational benefits***
 - ***Ability to meet future growth***

Project Givens

- *Budget and schedule*
- *Maintenance / durability*
- *2-Story, 55,000 SF*
- *Safety and security enhancements*
- *Green building (WSSP) – similar to LEED Silver*
- *PK-5*
- *3 classrooms per grade*
- *Full size gym w/ wood floors*

Site

- *Be a good neighbor*
- *Community Use*
- *Circulation – bus and parent drop off, connection to neighborhood streets, event parking*
- *Playfield / covered play / garden*
- *Landscaping*
- *Occupied site*

Initial Thoughts

- ***Existing - what do you like and don't like?***
- ***New – how should the new school reflect who are you as a neighborhood / community?***
 - ***Entry***
 - ***Materials***
 - ***Site – neighborhood fit***

Brainstorming Session

- *What are the TOP FIVE most important:*
- *Characteristics*
- *Qualities*
- *Attributes*

Next Steps

- *Keep Community informed – status reports*
