

Meeting Minutes #2 Sunnyland Elementary School Ed Spec/Design Advisory Committee Wednesday, December 18, 2019

The Sunnyland Elementary School Ed.Spec/Design Advisory committee reconvened and reviewed committee meeting schedules, looking at dates and times to consider for two Sunnyland community meetings. The first meeting is during this initial committee work for community input and feedback. The second community meeting will be to share the draft plans.

The committee scheduled their January 22 meeting from 4 - 6 p.m., with a community meeting following from 6 - 7 p.m. at the Sunnyland library. Letters inviting the public to attend will be mailed to the neighborhood residents.

Curtis Lawyer, capital projects director, addressed the committee and thanked them for their time studying the [Narrative Program](#) and [Detail Space Requirements](#) that was their homework packet from the last meeting.

Minutes from the December 4 meeting were reviewed and approved.

Zach Ham, architect with Dykeman, reviewed sections of the Narrative Program and the Detail Space Requirements with the group providing questions, comments and suggestions in the following areas:

- Preschool/Kindergarten Classrooms
- General Ed Classrooms
- Extended Learning Areas
- Specialized instruction
- Gym

Zach appreciated the great feedback and thanked the group for coming prepared, reading the homework and bringing comments. The next meeting is scheduled for January 8 and the group will continue this exercise looking at the following areas:

- Cafeteria/Stage/Music
- Kitchen
- Site

- Circulation
- Play areas
- Specialists/Special Ed
- Administration
- Building Support

There was conversation about touring other district facilities at an upcoming meeting. Curtis will investigate which of our newer schools would be most helpful for the committee to tour.

Meeting adjourned: 5:05 p.m.
