

4th Grade Distance Learning Essential Standards

These standards represent the critical literacy and mathematics standards selected for focus during distance learning. Additionally, standards in social emotional, science, the arts, social studies, listening, and speaking were integrated into the learning.

Reading - Literature

- Refer to details and examples in a text when explaining what the text says explicitly and when drawing inferences from the text.
- Determine a theme of a story, drama, or poem from details in the text; summarize the text.

Reading - Informational

- Refer to details and examples in a text when explaining what the text says explicitly and when drawing inferences from the text.
- Determine the main idea of a text and explain how it is supported by key details; summarize the text.
- Describe the overall structure of events, ideas, concepts, or information.

Writing

- Write opinion pieces on topics or texts, supporting a point of view with reasons.
- Write informative/explanatory texts to examine a topic and share ideas and information clearly.
- Write narratives using effective technique, descriptive details, and clear event sequences.
- Use evidence from texts to analyze, reflect, and research.

Mathematics

- Use the four operations with whole numbers to solve problems
- Generalize place value understandings for multi-digit whole numbers.
- Use place value understandings and properties of operations to perform multi-digit arithmetic.
- Build fractions from unit fractions by applying and extending previous understandings of operations on whole numbers.
