

## 5th Grade Distance Learning Essential Standards

These standards represent the critical literacy and mathematics standards selected for focus during distance learning. Additionally, standards in social emotional, science, the arts, social studies, listening, and speaking were integrated into the learning.

### Reading - Literature

- Quote accurately from a text when explaining what the text says explicitly and when drawing inferences from the text.
- Determine a theme of a story, drama, or poem from details in the text; summarize the text.
- Compare and contrast two or more characters, settings, or events in a story or drama.
- Analyze how visual and multimedia elements contribute to the meaning or tone of a text.

### Reading - Informational

- Quote accurately from a text when explaining what the text says explicitly and when drawing inferences from the text.
- Determine two or more main ideas of a text and explain how they are supported by key details; summarize the text.
- Explain the relationships or interactions between individuals, events, ideas, or concepts in a historical, scientific, or technical text.
- Draw on information from multiple print or digital sources.

### Writing

- Write opinion pieces on topics or texts, supporting a point of view with reasons and information.
- Write informative/explanatory texts to examine a topic and convey ideas and information clearly.
- Write narratives to develop real or imagined experiences or events using effective technique, descriptive details, and clear event sequences.

### Mathematics

- Understand the place value system
- Perform operations with multi-digit whole numbers and with decimals to hundredths
- Apply and extend previous understandings of multiplication and division to multiply and divide fractions.
- Geometric measurement: understand concepts of volume and relate volume to multiplication and to addition.
