

# FIND YOUR GRADUATION PATHWAY

## CTE Courses by Program Area

Students can meet Graduation Pathway requirements by completing a CTE course sequence and selecting the CTE Pathway in their High School and Beyond Plan. **To meet graduation requirements, the CTE course sequence must be 1) approved by OSPI; 2) earn at least 2.0 high school credits in one program area; and 3) include a course that is either a dual credit course (\*T) or would lead to an industry-recognized credential (IRC).**

### BPS Custom Pathways

#### Engineering Design

- Engineering Technology (\*T)
- Engineering Technology 2
- Technical Literacy (\*T) (IRC)

#### Environmental Science

- AP Enviro Science (\*T)
- Engineering Technology (\*T)

#### Fabrication

- Applied Technology
- Manufacturing
- Technical Literacy (\*T) (IRC)

#### Manufacturing

- AP Computer Science A (\*T)
- Manufacturing

#### Multi-Media

- Technical Literacy (\*T) (IRC)
- Video Productions
- Visual Communications (\*T)
- Visual Communications Advanced (\*T)

#### Robotics and Programming

- AP Computer Science A (\*T)
- Robotics Engineering

### Approved for all Program Areas

- AVID 1, 2, 3, 4
- Bilingual Teaching Academy (\*T)
- Bilingual Teaching Academy 2 (\*T)
- Career Choices (\*T)
- Teaching Academy (\*T)
- Teaching Academy 2 (\*T)
- Work Based Learning

### Agriculture Sciences

- Agriculture, Hunger and the Environment
- Environmental Science
- AP Environmental Science (\*T)

### Business & Marketing

- AP Computer Science A (\*T)
- AP Computer Science Principles (\*T)
- AP Macroeconomics (\*T)
- AP Microeconomics (\*T)
- Business & Retail Management (IRC)
- Business Law
- Computer Programming (\*T)
- Financial Algebra (\*T)
- Journalistic Writing
- Marketing (\*T)
- Marketing Advanced (\*T)
- Microsoft Office Specialist (\*T) (IRC)
- Personal Finance
- Technical Literacy (\*T) (IRC)
- Technical Writing (\*T)
- Technical Writing 2 (\*T)
- Web Design (\*T)
- Web Design Advanced (\*T)
- Yearbook (\*T)

### Health Sciences

- Home Care Aid (IRC)
- Introduction to Health Careers
- Medical Terminology (\*T)
- Sports Medicine (IRC)
- Sports Medicine 2 (IRC)

### Family & Consumer Sciences

- ASL 1, 2, 3, 4 (\*T)
- Cosmetology (IRC)
- GRADS
- Health
- Interior Design (\*T)
- Interior Design Advanced (\*T)
- Introduction to Culinary Arts (\*T) (IRC)
- Leadership
- Living on Your Own
- Nutrition and Wellness (IRC)
- Psychology of Children (\*T) (IRC)

### Skilled & Technical Sciences

- Aerospace Manufacturing (IRC)
- Architecture
- Broadcast Journalism
- Construction Academy (IRC)
- Costume and Makeup Design
- Costume and Makeup Design Advanced
- Digital Art
- Forensics
- Technical Theater
- Technical Theater Advanced
- Video Game Design
- Video Game Design Advanced
- Video Productions
- Video Productions Advanced
- Visual Communications (\*T)
- Visual Communications Advanced (\*T)
- Woodworking Foundations
- Woodworking Foundations Advanced

### STEM

- Applied Technology
- Engineering Technology 1 (\*T)
- Engineering Technology 2
- Manufacturing
- Manufacturing Advanced
- Robotics Engineering
- Sustainable Design
