- Assume positive intent
- Keep students and teachers as our focus.
- Share our needs.
- Balance advocacy and inquiry
- Discuss surface tensions.
- Be here, be you, belong, be brave.
- Lean on research to build understanding.
- Enough processing time for all but stay on track.
- Start and break on time.
- Be mindful of agenda and be flexible.
- Bring own snacks.
- Have coffee and tea available.
- Be gracious and trust others are being professional regarding tech use.
- Everyone has a voice, be aware of airtime.
- Be hard on an idea but gentle on people.
- Be mindful of start time, end time, and breaks.
