

Early Literacy Screener Task Force

June 4, 2021
2:30-3:45 p.m.

Welcome

Co-Chair Trina Hall, Executive Director of Teaching and Learning, welcomed everyone to the meeting and reviewed the agenda.

Review Today's Outcomes

- To understand and be able to explain our criteria for this round of screening.
- To be familiar with administration procedures and general information for the five screeners we are reviewing.
- To have watched the videos and filled out an input form for each screener noting strengths, concerns, and questions.

Review Purpose of Task Force

- To select an Early Literacy Screener in response to 2018 legislation for implementation beginning fall 2021
- To design an implementation and training plan for the early literacy screening tool selected
- Implement and support within a multi-tiered support system (MTSS) structure.

Review and Summarize Screener Input

Members reviewed the input collected from watching the video presentations of the five screeners brought forward for further review:

- AimswebPlus,
- Amira,
- i-Ready,
- mClass (DIBELS 8th) by Amplify,
- Pals by Illuminate

The summary included strengths, concerns, questions, and opinion of each screener.

Exit Ticket

Members provided a 'rank order' of the five screeners based on what is known today.

Next Meeting: June 23, 2021, 2:30-3:45 via Zoom.
